Patrice exercise:

A company called DATA SERVICEGROUP hired 4 peoples and their names are:

- ALEX ROCK
- EMILY SABRINA
- ANGEL SALVADOR
- MARIA BERTINE

1) Now the manager tells you to create an account for each new hired and add them into a specific group as below:

ALEX is member of SYSADMIN

EMILY is member of DEVOPS

ANGEL is member DEVELOPPER

MARIA is member of DATABASE

2) Let say you receive a ticket through salesforce saying that you have elevate ALEX account as POWER user.
   Please note the password for all users is Server2016.
